Expert Guided Health Insurance Plans by Lifestages

Your health insurance needs change as your life changes. Whether you're starting your career, growing your family, or planning for retirement, choosing the right plan at the right time can save money and offer better protection.

Our experts help you select coverage that's tailored to your current life stage.

Life Stage	Recommended Coverage Features	Suggested Sum Insured	Typical Premium Range*	Key Benefits
Young Professionals (20s-30s)	High coverage at low cost, no room rent cap, wellness rewards, annual health check-ups, OPD cover optional, minimal waiting periods	₹10-15 lakh	₹5,000-₹12,000 annually	Affordable premiums, early tax savings (Sec 80D), long-term premium lock-in, early PED coverage
Newly Married & Young Families	Family floater plan, maternity & newborn cover, vaccination & child wellness benefits, no-claim bonus, restoration benefit	₹15-20 lakh	₹12,000-₹25,000 annually	One plan for entire family, maternity support, cost-effective child coverage, bonus for claim-free years
Parents & Mid-Career (40s-50s)	Higher sum insured, critical illness rider, comprehensive lifestyle disease coverage, low co-pay, no disease-specific sub-limits	₹20-25 lakh	₹20,000-₹40,000 annually	Covers major illnesses, protects savings, faster claim settlement, broader treatment choices
